Patriots Meeting Scheduled for Elderton

The Indiana/Armstrong Patriots invites any Indiana or Armstrong County resident to come and learn about their work to preserve and support our Constitution in today's world of big government and out-of-control spending. Their regular meeting will be held Tuesday, March 16th at 6:15 pm at the Smith Complex outside of Elderton. The group is preparing for an upcoming TEA Party in Kittanning on April 24th from 3-5 pm at the Murtha Amphitheater. Currently the group is sponsoring a Constitutional Essay Contest in both counties for high school seniors. Details of the contest can be gotten at each high school principal's office or on the Patriot's website: www.indianaarmstrongpatriots.com. The deadline for the contest has been extended to March 31st. Directions to the Smith Complex are on the website.

Local Students Win Big at Geography Bee

(continued from page 3)

deserts and tropical rainforests; so, some of it involved some science." Overall, Blakney seemed excited about with the students' performance during the District Bee. "I was very pleased with them because no one finished in the last tier," he said. "They got most of the questions correct, and I was very proud of them. It was a great educational experience. All of the kids got really excited, and they learned a lot about geography. The parents and staff members were very pleased."
